Dear Sir or Madam:

I have known Ryan for many years and we have had the opportunity to work with him on various projects.

Ryan is currently working as a Program Management Consultant on several multi-million dollar projects for our company, Healey Weatherholtz Properties. He is executing each one professionally and with a positive attitude that focuses on the highest level of customer satisfaction.

Without reservation I recommend Ryan Hughes for projects in the capacity of a program, project, or construction manager.

Please feel free to contact me should you desire further information.

Best Regards,
