Subject: Recommendation Letter - Ryan Hughes

Dear Sir or Madam:

I've worked with Ryan the last couple of years on several large commercial development projects. He is an incredible Owners Representative for us, working extremely close with the entire team leasing agents, attorneys, tenants, construction companies, architects and engineers. He is hard-working and meticulous in his scheduling, record keeping and budget development, saving the company money whenever possible. Most importantly, he is a real team player and well-liked by everyone.

Please contact me directly if you have any questions regarding Mr. Hughes' ability.

Best regards,

Darius Yaraghi

President
